

## Popcorn Cake

### **Ingredients:**

- 3 quarts popped pop-corn
- 1 lb. gumdrops
- ½ lb. salted peanuts (or any type of nut)
- 1 bag M&Ms
- 1/8 cup BLOOD ORANGE Olive Oil
- 1/8 cup vegetable or canola oil
- ¼ cup butter
- 1 large bag marshmallows

### **Directions:**

- Melt oils, butter and marshmallows in microwave.
- Add popped corn, gumdrops and salted peanuts. Stir well.
- Wait a few minutes before adding the M&Ms, so they don't melt.
- Mix and put in greased bundt pan or several small loaf pans. (Wrap in plastic wrap with a bow for a great gift!)
- Refrigerate for 1 hour. Invert onto plate and serve. Use a knife to help loosen the edges.
- When possible, use M&Ms and gumdrops in holiday colors to match the season.
