We have one of the largest inventories in southeast Wisconsin carrying over 70 different extra virgin olive oils and aged balsamic vinegars.

## To All Of Our Customers

***In light of the pandemic nature of COVID-19 and with our guests and coworkers in mind, we wanted to take a moment to let you know that we will continue to provide a clean and safe environment for our customers and staff.***

We will continue to wipe down all surfaces, bottles and taps frequently and certainly between uses.

- We are employing toothpicks to select bread samples, a spoon to serve yourself popcorn into disposable bowls and mini spatulas for applying olive oil cream at our counters.
- Employees showing signs or symptoms of illness are not permitted on our premises and we have asked that anyone with direct contact to those who are sick to follow the same protocol.
- We have and are continuing to coach our employees before and during every shift to ensure the best procedures and precautions for prevention and extreme sanitation practices are being followed.
- Oliva di Vita ownership and management are monitoring updates from the Center for Disease Control and the Wisconsin Health Department daily.
- We are committed to taking every recommended action to maintain the safety of our guests and employees.

**We offer the best 100% Extra Virgin Olive Oils from around the world.**
